Independent Auditor's Review Report on the Quarterly Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Asian Hotels (West) Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Asian Hotels (West) Limited (the "Company") for the quarter ended June 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ("Ind AS") specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
5. **Emphasis of Matter**
We draw attention to Note 4 to the accompanying standalone financial results which describes the impact of COVID-19 pandemic on the Company's operations, future cash flows of the Company and its consequential impact on the standalone financial results as assessed by the management. Our conclusion is not modified in respect of this matter.

Onion seed prices soar in Maha on acute shortage

NANDA KASABE
Pune, August 26

ONION FARMERS in Maharashtra are facing a severe shortage of summer onion seeds. With the monsoons in full swing, sowing has picked up pace and farmers are being forced to purchase seeds at double prices due to the shortage.

Packets of onion seed were priced at ₹1,500 per kg same time last year are now being sold at ₹3,000-3,500 per kg, senior officials of the state agricultural department said. The shortage is to the extent of 40-45%, officials at the National Horticulture Research and Development Foundation (NHDF) said.

For the first time, farmers ended up crowding NHDF centres in Nashik to purchase seeds, and the help of the police had to be sought to prevent crowding, local technical

officers at the NHDF said. The NHDF also put a cap on the sale of seeds at 2 kg.

P.K. Gupta, acting director of the NHDF, told *FE* that farmers had ended up selling onion seeds during November-December at ₹100-120 per kg when prices were high due to short supply. They were uncertain of getting a good price later and therefore offloaded their stocks. They

also planted less onion, he said. Moreover, due to the lockdown, technical officers could not reach out to the field to ensure adequate supply of seeds for this season, Gupta said.

According to the data received by the NHDF, around 35,000 hectare come under summer onion cultivation and 40% of this crop has been destroyed due to heavy

rains. Gupta said when he had noticed the shortage, he alerted the Union agriculture secretary, and as a result, the government issued a notification banning export of onion seeds from February. The summer onion crop has a shelf life of six months and is stored by farmers in anticipation of better prices.

By RFA, technical officer at the NHDF, attributed the seed shortage to unseasonal rains last year. "The seed production programme for the summer crop is usually undertaken in November or October. Last year, extended monsoons damaged nurseries. Moreover, farmers who usually store seeds for the next season were forced to go in for re-sowing operations due to this rain. More importantly, onion prices were very high during October and November last year and farmers ended up selling their

stocks since they were getting good prices," he said.

Private companies accounted for 30-35% of the seed availability while farmers' own account for the remaining 70% seed supply. Of the organised sector, NHDF accounts for 80% of the supply, Rayate said.

Around 12,000 tonne of onion seeds are required every year for sowing operations. The spike in prices of the farmer outfit, Shailesh Patil, alleged that a cartel of some 12-13 seed companies in the state had created an artificial shortage and were forcing farmers to buy seeds at double the rates.

The Sanghatana had approached MPs of the state and Anmol Kohli, Nationalist Congress Party (NCP) MP from Shirur Taluka, has written to Union agriculture minister Narendra Singh Tomar to look into the issue.

Bharat Dighole, president of the Maharashtra Rajya Kanda Utpadak Shetkari Sanghatana, urged the government to stop export of onion seeds. According to him, seed companies export onion seeds to nearly 20 countries every year, and despite the shortage this kharif season, they have decided to continue export.

The spokesperson of the farmer outfit, Shailesh Patil, alleged that a cartel of some 12-13 seed companies in the state had created an artificial shortage and were forcing farmers to buy seeds at double the rates.

The Sanghatana had approached MPs of the state and Anmol Kohli, Nationalist Congress Party (NCP) MP from Shirur Taluka, has written to Union agriculture minister Narendra Singh Tomar to look into the issue.

BoI to seek shareholders' nod for raising up to ₹16,000 cr

PRESS TRUST OF INDIA
New Delhi, August 26

STATE-OWNED BANK OF India (BoI) on Wednesday said it plans to raise up to ₹16,000 crore through issuance of shares and bonds. It will seek shareholders' approval at its extraordinary general meeting on September 19, the lender said in a regulatory filing.

The bank said it plans to issue fresh equity shares up to an amount of ₹8,000 crore in such a way that the government's shareholding does not fall below 51%.

It will also seek the approval for issuing perpetual debt instruments, including non-convertible debentures (NCDs), for an amount not exceeding ₹8,000 crore.

The lender said the allotment of securities shall be through qualified institutional placement (QIP), public issue, rights issue, private placement or other mode of issue, with or without the over-allotment option.

Explaining the rationale behind the proposed fund mop-up, it said the banking system has been implementing Basel III guidelines since April 2013 in a phased manner and the norms are to be fully implemented by September 30, 2020.

"The bank has been growing very diligently and cautiously for the last many years and there is constant requirement of capital. In order to meet this growing requirement, the bank needs long-term capital," it said.
