Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
 is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also
 responsible for expressing our opinion on whether the company has adequate internal financial
 controls with reference to financial statements in place and the operating effectiveness of such
 controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures.
 and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- Chartered Accountance
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Statement or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Statement, including the
 disclosures, and whether the Statement represent the underlying transactions and events in a
 manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group of which we are the independent auditor to express an opinion on the Statement. We are responsible for the direction, supervision and performance of the audit of the financial information of the entity included in the Statement of which we are the independent auditor. For the other entity included in the Statement, which has been audited by other auditor, such other auditor remains responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company of which we are the independent auditor regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities Exchange Board of India under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

Notes

- 1 The consolidated financial results of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") as prescribed under Section 133 of the Companies Act, 2013 read with Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 as amended, and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulation"), read with SEBI Circular dated July 5, 2016.
- The above consolidated financial results of Asian Hotels (West) Limited ("the Company") for the quarter and year ended March 31, 2020 have been reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on June 30, 2020. Figures of the quarter ended March 31, 2020 and March 31, 2019 are balancing figure between audited figures in respect of the full financial years and the unaudited figures upto the third quarter ended December 31, for respective years which were subject to limited review.
- 3 The Company is operating at two locations in one reportable segment viz. "Hotels" and therefore, the disclosure requirements of the relevant accounting standards are not applicable.
- Pursuant to taxation laws (Amendment) Ordinance, 2019 dated September 20, 2019, the Company and Subsidiary company have decided to exercise the option permitted under Section 1158AA of the Income Tax Act, 1961 from the year ended March 31, 2020. Accordingly, the deferred tax liability and deferred tax asset as at March 31, 2019 has been remeasured and MAT credit available with the Company as at March 31, 2019 has been written off resulting in net increase in profit after tax by 105.53 lakhs the year ended March 31, 2020
- During the quarter ended March 31, 2020, on the basis of the legal opinion obtained by the management of the subsidiary Company, provision of Rs 418.36 lakhs made in the quarter ended 31 December 2019 in respect of the property tax payable to South Delhi Municipal Corporation ("SDMC") for the period between financial years 2010-11 to 2018-19 against their demand for increase in tax rate from 10% to 20%, has been reversed. The Subsidiary Company vide their letter dated March 3, 2020 has responded to the demand letter raised by SDMC, that the Subsidiary company would discharge its liability in accordance with the manner prescribed in the order dated March 23, 2016 passed by Hon'ble High Court, Delhi. The said order, specifically specify that the Subsidiary company shall pay property tax @ 10% of the annual value which the Subsidiary company has paid continuously and for all the years.
 - of the annual value which the Subsidiary company has paid continuously and for all the years.
 Thus the management of the Subsidiary company has decided to pay the liability strictly in accordance with the said order till the time the final order is passed by the Hon'ble High Court. Delhi and accordingly the said amount would be continue to shown as contingent liability in the consolidated financials statement of the Company for the year ended 31 March 2020.
- The Company and its subsidiary company ("the Group") has adopted Ind AS 116, effective annual reporting period beginning 1 April 2019 and applied the standard to its leases, using modified retrospective approach, with the cumulative effect of initially applying the Standard, recognised on the date of initial application (1 April 2019). Accordingly, the Group has not adjusted comparative information, instead, the cumulative effect of initially applying this standard has been recognised as an adjustment to the opening balance of retained earnings as on 1 April 2019. On application of the standard; as lessee, it has resulted in recognising (including reclassification from other assets) a Right-of-Use asset and a corresponding lease liability. Whereas as lessor, (where the sub leases are classified as finance lease) it has resulted in derecognising of the underlying Right of Use, property, plant and equipment and corresponding deferred income and recognition of finance lease receivable. As a result, the Company is recognising net Right-of-Use, as on 1 April 2019 amounting to Rs. 19,146.22 lakhs and corresponding lease liability amounting to Rs. 18,697.75 lakhs by cumulatively adjusting the retained earnings net of taxes of Rs 1,114.39 lakhs (net of deferred tax of Rs 391.91 lakhs) in its consolidated financial statements.

consolidated financial statements.

Consequently, in the profit and loss account for the current period, the nature of expenses in respect of operating leases has changed from lease rent in previous periods to depreciation cost for the right-to-use asset and finance cost for interest accrued on lease liability. Operating lease, lease rentals are recognized on straight line basis over the lease period and lease rent receivable recognised. Where the Group is lessor and sub-leases are classified as finance lease, amounts due under these agreements are recorded as receivables as net investment in the leases. Finance income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.
